Dear Legislator,

***Please mark your calendar for this year's Minnesota Nurses Day on the Hill Tuesday, March 1, 2011.***

MNA registered nurses who live in your legislative district are eager to meet with you to discuss MNA's main legislative priorities. As nurses register for Day on the Hill, I will contact your legislative assistant to set up short appointments that day between **9AM-12PM**.

In addition to being advocates for our patients and our profession, MNA nurses want to be **your** resource for information about nursing and health care issues. Nurses look forward to talking to you about life on the front lines of our health care system, and the challenges before us as health care providers.

Please feel free to contact us if you have any questions or concerns.

Sincerely,

Mary Jo George, Staff Specialist
